

SOMERSET COUNTY SPEAKER SERIES
A venture of Somerset County Leadership

The Somerset County Leadership Program, Somerset County Chamber of Commerce, and Allegany College of Maryland's Somerset Campus are pleased to announce the creation of a Community Speakers Series. Audiences will experience thinkers, visionaries and leaders of personal courage and wisdom. You will be moved, challenged and leave inspired.

To launch the series, we invite you to attend the debut event featuring former Military Intelligence Officer, nationally known leadership speaker and author, Dr. Evan Offstein. SPHR. Dr. Offstein uses a fresh approach to understanding the concepts and practices of leadership, strategy and execution by taking real moments from a creative blend of professional and college football, and military and corporate historical vignettes to provide visual examples of leadership, applicable to any organization focused on excellence. Experienced or inexperienced, senior or junior, this presentation contains many fresh ideas to teach and demonstrate to leaders *how* to think versus *what* to think. Audiences will learn what it takes to build a winning organization, from the individuals assigned, to selecting your leaders and high performers, to creating the synergy in the team needed to achieve greatness. The beauty is these ideas are also directly applicable to all walks of life. (May qualify for C.E. and Act 48 Credits)

Please join us at Oakhurst Tea Room on Thursday September 9th at 7:00 pm to hear Dr. Offstein's one of a kind presentation. A free reception with light refreshments will immediately follow the conclusion of Dr. Offstein's presentation, at which time Dr. Offstein will be available for questions and signings of his bestselling books, *Stand Your Ground: Building Honorable Leaders the West Point Way* and *Gridiron Leadership*. Dinner reservations may also be made at Oakhurst Tea Room by telephoning 443-2897.

Seats are limited so please respond early. Deadline for ticket purchase is August 25th, 2010.

Come be a part of the "Talk of the Town"!
